

FOR IMMEDIATE RELEASE

FEBRUARY 11, 2014

CALVIN JOHNSTON NAMED

NEW CEO OF CANDLE-LITE

OHIO, Cincinnati, February 11 – CL Products Intl., LLC, today announced the appointment of Calvin Johnston as the new Chief Executive Officer of Candle-lite. Candle-lite, a leading marketer, manufacturer and distributor of candles and candle accessories, was acquired by the investment firm of Centre Lane Partners, LLC in January, 2014. Johnston assumes the role immediately.

Johnston said today: "I am very excited to join Candle-lite. This is a company with a rich heritage of manufacturing quality candle products for the food drug and mass retail chains, and a leader in the industry. I foresee continued market growth through innovation and international expansion. "

Johnston brings to the position over 25 years of expertise, vision and leadership skills, driving US manufacturing companies through key transitional periods of growth. He has served as President and CEO of Leupold & Stevens, Inc., Pres. of Galls, an Aramark Company, LLC and CEO of the Russell Athletic Group.

Mr. Jerry Vanden Eynden who will continue with the company in the role as President said: "We are excited about the growth opportunities now afforded to us by the acquisition and the addition of Calvin to lead the management team."

About Candle-lite

Candle-lite employs approximately 500 people. Sales, marketing, product development and support teams are located in Cincinnati, with the manufacturing facility in Leesburg, OH. Candle-lite has manufactured candles since 1840 and serves the food, drug and mass retail chains. For more about Candle-lite visit www.candle-lite.com

About Centre Lane Partners, LLC

Center Lane is a private investment firm focused on making equity and debt, control and non-control, investments in North American middle market companies. Centre Lane targets companies with revenues between \$20 and \$500 million that have leading market positions and sustainable competitive advantages in their respective niches.
