

Candle-lite

Manufacturers of quality candles in the USA since 1840

- A division of Lancaster Colony Corporation (LANC)
- Designs, manufactures and wholesales the highest quality candles, candle accessories, and other home fragrance products in various sizes and fragrances.
- 900,000 square foot manufacturing plant is located in the village of Leesburg, OH.
- A portion of candle business is marketed under private label brands and licensed properties including Laura Ashley and Entenmann's.
- Candle-lite has manufactured high quality and ASTM compliant candles in the United States for over 160 years.
- Strict adherence to industry standards, a state-of-the-art burn testing facility, continuous research and development contribute to Candle-lite's ability to consistently manufacture quality products.
- Complete candle offering available at www.candle-lite.com or contact Donna Boehm at 513-956-2232.
