**Candle-lite Launches an Escape Collection at the 2012 International
Home and Housewares Show**

Candle-lite, the leading candle manufacturer in the Food, Drug and Mass Channels, will unveil their brand new "*Destination Escape*" collection at the 2012 International Housewares Show in Chicago. The collection is aptly labeled a "personal inspiration via fragranced candles."

Six essential oil infused candles have been formulated in sun washed hues to provide a bright spot in home décor throughout the year. The fragrance offerings with names like *balance, discover, and energize* will provide the consumer a fragrant escape from the everyday world with an inspiration to refresh and renew the spirit.

Proudly made in the U.S.A. by Candle-lite, the collection features a 12 oz. 3-wick jar with decorative lid and a 7.25 gift-boxed jar. Youthful batik inspired design enhances the box and jar labels. The two contemporary glass candle shapes add further appeal to the modern candle consumer.

The collection will be featured in the Candle-lite booth S-4259 at the 2012 International Home and Housewares Show March 10-13 in Chicago, IL.

Candle-lite, a division of publicly traded Lancaster Colony Corporation (LANC), is recognized as a leader in the U.S. candle industry and has been manufacturing quality candles in the U.S.A. since 1840. Visit www.candle-lite.com for more information.
